**Principal’s Report:**

- Enrollment- We currently have 1458 students enrolled.
- Out of district students- We have about 60 out of district students, and we have a waiting list.
- Arrival/Dismissal traffic- has been going much better. A traffic study was completed. The light on Old Alabama has been adjusted. A shuttle survey was sent out.
- Positions- needing to fill two more parapro positions. We have interviews next week.
- Questions- Character parade, and parking suggestions send to Mrs. Nelson. Think about having an All A’s award or A/B honor roll. We would like to keep the awards we currently have in place if possible. Having consistent homework was discussed as well.
- Cell phones- safety concerns were noted. Radios are now working throughout the building.
