Old Business -

- Powderpuff April 2024 - \$2604 (profit) 2023 \$3034 (profit)—Amy Dobbins: We made less profit because staff members were admitted for free and over-ordered pizza. The game also started earlier this year and may have affected attendance.
- Graduation May 2024 Report \$1717 solid profit Tucker: Used leftover water and drinks from Powderpuff: added chips and candy to the concession. We sold out of drinks, chips, and most candy. We need more food items in 2025.
- Fee Day July 2024 Report—Tonya Lutjens: More student fees were paid this year. Everyone who paid PTC dues and student fees was entered into a raffle (Turtle Box Speaker), and all volunteers were thanked. Senior fee day hours can be reduced to three. Combine Junior/sophomore day hours should be 4 hours minimum with more than six volunteers.
- Back to School Breakfast Report—Hospitality: It went well. We served Panera, a yogurt bar, and coffee/juice. Panera was donated. PTC spent approx \$250. We had teachers join PTC for a reduced price of \$5 for the first time.

New Business:

- *PTC* - How do you get involved as a committee chair or volunteer? - Tonya Lutjens - Chair/Co-Chair will added to each committee. Before events, these chairs will reach out to PTC members and parents for volunteers to help with specific events through email, BAND app, and Facebook groups.
