New Business:

- **True Accountability/School Improvement Goals:** Mrs. Tierce reviewed the seven pillars of True Accountability. She explained how our Building Leadership Team used the True Accountability framework to determine the three school improvement goals for the 2022-2023 school-year.
 - School Improvement Goals:**
 - #1 Reduce Retention Rate
 - #2 Close Learning Gaps
 - #3 Improve Teacher quality
 - We will stand by the CHS Mission Statement: We inspire ALL students to build the skills and confidence to find their passions and achieve their goals.
- **Goodwill Career Center Partnership:**

- We have started a partnership with the Cartersville Goodwill Career Center. They offer many opportunities to help those seeking employment. Based on the results of the survey we sent out to families last May, we learned that families would like to see more life skills taught during advisement lessons or on FAB Wednesdays.
 - Goodwill offers a 16- hour Financial Literacy course. They will be coming to FAB Wednesdays throughout the school year to teach the course content to students who sign up for the course.
 - We are extremely excited about this partnership and the many opportunities they will be able to provide our students.
