**Call to order:** Tripp Nelson called the CHS School Governance Team Meeting to order at 7:41 a.m.

**Inspiration:** Shelley Tierce-Discussed over 1,000 people are signed up for backpack buddies. CHS has the most participants thus far, and it will make a lot of money for the program and for our kids in need.

**Pledge of Allegiance:** All

**Approval of Minutes:** motioned by Charissa Pritchett and 2<sup>nd</sup> by Tripp Nelson

**Old Business:** School improvement planned around data/days if instruction lost due to ISS or OSS. There were 700+ days lost of instruction last year because of students serving ISS or OSS. Issue of security was raised. Mrs. Tierce is meeting with a security company the week of 8/25/19. CHS had a lockdown drill on 8/20/19. Would like to focus on decreasing response time and access to safety (adding additional door in cafeteria). Also led to conversation about assigned parking spaces.

**New Business:**

- Canes Navigation is based off of SIP- to provide all students with the steps and guidance to a successful post-secondary plan. Plan address/shows what students/families need to focus on from year to year. This will be done through advisement lessons, YouScience, Georgia BEST work lesson, community partners and character ed.
- Drug night informational meeting is in the works.
- Football Homecoming is September 27, 2019, parade is September 26, 2019
