Call to order: at 7:40 by Shelley Tierce, 2nd Charissa Pritchett

Inspiration / Good News: We are all moved into the STEM (Science, Technology, Engineering, and Mathematics) building.

Pledge of Allegiance: All

Approval of Minutes: Approved the minutes from the January meeting.

Old Business:

- Move in Plan/Construction
- March 1st at 1:00 Economic Development meeting in the Auditorium.

New Business:

Plan for Auxiliary Building

- Canes Learning Center (CLC): We will open our CLC next school year. The CLC will house the middle and high school alternative school programs, along with virtual classes and dual enrollment classes. Mr. Crenshaw will be the coordinator for the center. There will also be two academic teachers and a paraprofessional working in the CLC. As we continue to grow, we hope to add additional educational programs.

New Hires/Staffing

- JROTC (Junior Reserve Officer Training Corps)- We have hired a new SAI instructor who will be moving here from Wyoming.
- Chorus interviews will start next week.

- We will have a few upcoming retirements. Our education pathway has really helped fill gaps when we have openings. It is wonderful having alumni wanting to come back to teach in the community that raised them.

Course Requests

- Mrs. Tierce shared our elective course registration form with members of the school governance council.

Canes Navigation

- The Canes Navigation website is complete, and the counseling department will be taking over the web page. Parents will be able to navigate year by year through their child's high school experience.

Additional Agenda Item:

- Mrs. Tierce shared an idea about selling t-shirts for families of Cartersville City School students.
